Subject: Jones v. Porter

We got substitute service on Porter at the Trevino Court address on Saturday. Service was accepted by his wife. Apparently that is a good address.

Hansbrough continues to inquire about settlement and rent/U&O agreement. Any word?

Also, I believe there is an answer due to Hansbrough's counterclaim. Obviously I'm not going to run into court on a default motion, but Hansbrough and MERS are both inquiring about general status, and I need to be able to tell them something.
